Exploitation of Near East Publications

1. An informal discussion with FDD representatives indicates that amplification of our 20 August memorandum on subject exploitation would be of assistance to them.

2. In answer to the above, OCI desires coverage of current political developments (both national and provincial), activities of minority groups, labor developments, communist activities, and evidences of the popular reactions thereto.

3. OCI would prefer regional, (i.e. Greece-Turkey-Iran) reports covering the above subjects and on as current basis as possible to keep the time lag at a minimum.

4. Please refer any questions on the above to [REDACTED] ext. 2398.
